8. All men equal.
9. Insists on religious freedom and entire separation of church and State.

20. Presents Senator Morton to the National Republican Convention for nomination for the presidency.

The resolutions were adopted unanimously.

Senator Jones, Wife and Baby.  
(Washington Correspondent's Cleveland Plaindealer.)

There are now four Senators having girl wives, and all of them are Western men. Senator Allison, of Iowa, must be twice as old as pretty Mrs. Allison; and if Ogelsby's white head tells the truth there is a will greater difference between his sweet wife and himself. How eagerly we shall all call upon Mrs. Christianity when the Senatorial Thursday comes! Then there is Senator Jones, of Nevada, with his young wife finished, furnished and installed at last. Outside it looks like some old castle standing gray, grim and defiant, but once past that outer door you find war and brightness and beauty. The great hall in itself a reception room, from which a superb staircase climbs by sections to the upper stories. The newel post is of granite like the outside walls, only its faces are polished like mirrors, bringing out a beauty of texture and color one would not suspect in the cold stone. On the left you enter the great drawing-room, where carpets of marvelous softness fill all the center of the floor, meeting the raised border of inlaid woods which runs round all the lower rooms. The ceiling is too beautiful for any verbal description. Mr. Hall, the Boston artist, who decorated the whole house, has patented a process by which he produces effects as rarely delicate as any Jack Frost ever traced on window panes. He chooses some bit of exquisite lace with its fairy picture; tacking it to the wall, he stencils through the meshes the outline of the pattern, and afterward fills in at his leisure. There is a great deal of this ingenious work throughout the house, besides garlands of roses and buds, quaint borders in black and scarlet and gold, and in the dining-room at either end Mr. Hall has painted stags heads so lifelike that the great soft eyes seem to give living glances; on one side a cluster of birds with trailing wings, the painted pinions almost flutter and on the other a heap of trout, plump and enticing.

The library shows the daintiest shades of brown with tints of glowing scarlet and shining gold; the billiard-room ceiling shows cune resting across its corners while the crimson and white ivory balls are effectively grouped. Nearly all the rooms are finished in walnut and ash; the wainscoting reaching to the windows, the parlor and the chamber over it are painted the purest white, the panels of the wainscoting outside in gold. Great bath rooms open from every chamber; there are closets in abundance; steam makes Summer all over the house; curtains of rose or blue or crimson filter the light till all glare is gone, and one chamber hung with cretons of blue and gray is enchanting. The draped toilette table makes a tent; the canopy of the great bed suggests the sweetest shelter; edgings of fine antique lace are on the curtains and the foot slinks into a carpet soft as wood mosaic.

The Successful Physician.  
There is probably no man to whom the community owe so much as to the honest, fair-spoken physician, who does his actual duty both to himself and to his patients. Truly skillful physicians are not so numerous that their virtues need no mention, and hence the advertisement of Dr. R. V. Pierce, of Buffalo, may well claim the reader's attention. Dr. Pierce is a type of a class of men who obtain success by a careful and well directed effort, not attempting too much, or practicing false ideas as to the ability. The only reliable physician in these days of complicated disorders and high-pressure living is the "specialist," the man

who understands his one branch of the business. Such is his line is Dr. Pierce. For the benefit of his readers he has written a "Common Sense Medical Advisor," which is well worth reading by those who need such a work. With strict business honor, high professional skill, reasonable fees, and a large corps of competent assistants, Dr. Pierce will doubtless make his name familiar as "household words."

**CENTAU**  
**LINEMENTS.**

So nearly perfect are the recipes of the wonderful pain-soothing and healing Centaur Liniment, that we can guarantee, as they will, to relieve any pain arising from flesh, bone or muscle derangements. We do not pretend that they will mend a broken bone, exterminate boils, but even in such cases they will reduce the inflammation and stop the pain. Nor can we guarantee the proper results where the body is poisoned by whiskey. Temperance is as necessary to a proper physical, as mental condition.  
The White Centaur Liniment is particularly adapted to all cases of Rheumatism, Lumbago, Neuralgia, Erysipelas, Sprains, Itch, Chills, Cuts, Bruises, Stings, Poisons, Scalds, Scabies, West Back, Burns in the side, Wounds, Weeping Sores, Burns, Frosted Feet, Pains, Ear-ache, Tooth-ache, Head-ache, Ulcers, Old Sores, Broken Breasts, Sore Nipples, Sore Throat, Croup, Diphtheria, etc. The most of these complaints the Centaur Liniment will cure; all of them it will benefit. It will extract the poison from bites and stings, and will cure burns and scalds without a scar. The following is but a sample of a thousand similar testimonials:  
"My wife has for a long time been a terrible sufferer from rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her."  
"It is an indisputable fact that the Centaur Liniment are performing cures never effected by any preparation in existence. - like Chronic Rheumatism of thirty years' standing, straightening fingers and joints which had been stiff for six years, taking the sores from burns, etc.  
One dollar, or even fifty cents, invested in an accident occurs, and will do more good than any amount of money paid for medical attendance. When physicians are called they frequently use this Liniment, and of course charge several prices for it."

**The Yellow Centaur Liniment**  
is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Plague, Swarms, Wind-gall, Blisters and Poll-evil, are little less than marvellous.  
Messrs. J. McClure & Co., Druggists, cor. Elm and Front Sts., Cincinnati, O., say:  
"In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to any other remedy we have ever used. We sell as high as four or five dollars per month to owners of horses and mules."  
We have volumes of testimonials describing cures of Sprains, Kicks, Galls, Poll-evil, Bug-Head, and even Founders, which are little less than marvellous. No owner of an animal can afford to be without a bottle of this Centaur Liniment, which any day may prove worth twenty times its cost.  
Sold everywhere, but prepared only at the Laboratory of J. B. Rose & Co., 46 DEY ST., NEW YORK.

**Castoria.**  
Cross, sickly babies and children may enjoy health, and mothers have rest, if they will use Castoria. It is a pleasant, non-digestive, wind-cure, soothes the stomach and undigested food makes children cross, and produces sickness. Castoria will assimilate the food, expel worms, and correct all these things. For twenty years Dr. Picher experimented in his private practice to produce an effective Cathartic and stomach regulator which would be as effective as Castoria, but without its unpleasant taste or recoil.  
The reputation of his experiment extended. Physicians and nurses rapidly adopted his remedy, to which he gave the name of Castoria.  
Castoria is as pleasant to take as honey, regulates the stomach and bowels, and does not gripe. It is adapted to all ages, contains no alcohol, and is absolutely harmless to the most tender infant.  
Try Castoria once and you will never be without it.  
Prepared at the Laboratory of J. B. Rose & Co., 46 DEY STREET, NEW YORK. (1-24-13w)

**DURANG'S RHEUMATIC REMEDY.**  
Will most positively cure any case of rheumatism or rheumatic gout, no matter how long standing, on the face of the earth. Being an inward application it does the work quickly, thoroughly and permanently, leaving the system strong and healthy. Write to any prominent person in Washington City, and you will learn that the above statement is true in every particular.

Leading Journal of Southern Illinois.  
Will steadfastly oppose the policies of the Republican party, and refuse to be tampered by the dictation of any clique in the Democratic organization.  
It believes that the Republican party has fulfilled its mission, and that the Democratic party as now organized should be restored to power.  
It believes the Radical tyranny that he for several years oppressed the South should be overthrown and the people of the Southern States permitted to control their own affairs.  
It believes that railroad corporations should be prohibited by legislative enactments from extorting and unjustly discriminating in their business transactions with the public.  
It recognizes the equality of all men before the law.  
It advocates free commerce tariff for revenue only.  
It advocates resumption of specie payment, and honest payment of the public debt.  
It advocates economy in the administration of public affairs.
